- When escorting children to and from school all adults must adhere to social distancing guidelines and wear a face mask. Only one parent should escort a child to the school gates.
- Parents will not be permitted into the school building without permission from the Principal.
- Please contact us if you need to enter the school building for any reason.
- Help your child/children practise good hand and respiratory hygiene.
- Encourage your child to practise social distancing from adults in school.
- Ensure we have three up-to-date contact numbers in case of emergencies.
- If your child has any symptoms of Covid-19 he/she should stay at home and you should follow the latest Public Health advice.
- If anyone in your child's household tests positive for COVID-19 please notify the school immediately.

We hope that everyone stays safe and well and we thank you for your continued support.

Yours sincerely,

Louise Quinn
