## Family Fortunes

The committee of Friends of Cabragh have been working hard to prepare for our upcoming fundraiser 'Family Fortunes' in Killeeshil Community Centre on **Saturday 6<sup>th</sup> April 2024**. Doors open at 7:30 pm and the show starts at 8:00 pm. We now need YOU our parents and pupils to help us to sell tickets for this event. It will be a fabulous night of entertainment and laughs and you don't want to miss it! So that Friends of Cabragh can effectively lay out the hall for optimum enjoyment and comfort, we would like to have an estimate on how many people plan to attend our event. Therefore, our tickets have a perforated edge, which needs to be ticked appropriately and returned to school with payment for tickets sold. Tickets are priced at £20 and will be sent home with your child. If you can buy a ticket and **you can attend the event, please tick the box 'attending the event'**. If you or a family member *cannot* attend the event but would still like to buy a ticket to support our school, please tick 'donating to the event.' Unsold tickets, ticket stubs and payment should be returned in the envelope, provided to school office. Extra tickets are available on request from the school office or any committee member.

experience which combines targeted and adaptive curriculum content, structured and interactive support, with engaging games and rewards.

## **Nessy Programme for P2 and P3 Pupils**

St Mary's has invested in the 'Nessy' programme for all our P2 and P3 pupils. Nessy Reading & Spelling is an internet-based literacy program that provides structured and personalised learning plans to support the children. It is very important that you encourage your child to continue using Nessy in Term 2 and allow your child to work through the programme independently.

## **Accelerated Reader**

Congratulations to all those children who reached their AR target in Term 1! Your child was set a new individual AR (Accelerated Reader) target in January. The targets that are set for each child depend on two factors, the result of a Star Reading Test that each child sits at the start of the term and the teacher's estimation of the amount of time the child is likely to read each day.

After the Star Reading Test is taken, the children are awarded particular levels for their reading books. This is called their ZPD. The Accelerated Reading Program has determined that the child should read and take quizzes within these levels. It is so important that your child uses this fantastic resource for reading, to improve fluency and comprehension skills. The end date for Term Two's target is **Friday 22<sup>nd</sup> March 2024**. Please encourage your child to keep reading and **taking AR quizzes (independently)** to ensure he/she reaches 100% by **Friday 22<sup>nd</sup> March 2024**. Prizes will be awarded to those children who reach their target. As parents, you can ensure that your child gets the most out of the program by reading regularly and consistently and asking the children questions about the book they are reading. Make sure to ask your child about the scores they are achieving in the quizzes.
